Attendance Policy

Welcome to Red Door Pediatric Therapy!

Several factors go in to scheduling your child's evaluations and subsequent appointments including therapy recommendations, insurance approval/parameters, and convenience/availability of preferred times for your family.

Maintaining a consistent therapy schedule is critical to achieve progress toward short and long-term objectives. Because of the demand for therapy services and to ensure positive outcomes on your child's plan of care, we would like to highlight the following attendance policy:

Initial Evaluation:

We understand that conflicts arise, but if you cancel or no show two consecutive initial evaluations, we do not allow you to reschedule an evaluation for a 6-month time frame.

Permanent Schedule:

If your child has a time slot on our permanent schedule, those sessions are considered standing appointments. We require a minimum attendance rate of 60% over a 6 month period.

Call-In Schedule:

Once you have called in and scheduled your child in an available time slot, those sessions are considered standing appointments. We require a minimum attendance rate of 60% of scheduled appointments. A minimum of 2 sessions per month are required in order to remain on the call-in list.

We understand that sometimes appointments have to be cancelled due to illness, vacation, outside events, and unexpected circumstances. In these instances, we do our best to reschedule to a different time to allow your child to maintain a consistent schedule and receive the recommended number of visits per week.

If we find that you are unable to adhere to our scheduling policy, we will work together to determine the best available schedule that works for your family as well as Red Door Pediatric Therapy. If we are unable to provide consistent therapy services due to lack of attendance, we will discharge your child from therapy for a 6-month time frame. After that, we encourage you to initiate services at a time when attendance and progress toward the plan of care can be a priority.

We appreciate your commitment and can't wait to get started!
